CONFERENCE

GITAM University in participation with Prof. Sanjay Malhotra, Faculty of School of Medicine, Stanford University, USA and Economic Development Board, Andhra Pradesh is organizing a two-day international conference, APBIO on 10th & 11th August 2017 in GITAM University, Visakhapatnam.

With over 1000 attendees expected from around the world, the conference will be one of the largest gatherings of researchers, students and industry professionals focusing in the areas of Biotechnology and Life Sciences. This is an excellent opportunity to connect with leading experts in the field and improve your organization's visibility on the world stage.

The conference covers Biotechnology including agricultural biotechnology, marine-based technologies and Life Sciences that include therapeutics, diagnostics, clinical and public health related issues. The conference highlights a special session on pharmaceuticals. The conference will include plenary sessions, keynote lectures and poster presentations.

GITAM UNIVERSITY

GITAM University a premier educational Institution in Andhra Pradesh, offers programmes in diverse disciplines such as engineering, architecture, science, management, international business, medicine, pharmacy, nursing, law, humanities and Gandhian Studies. GITAM University operates in three picturesque campuses at Visakhapatnam, Hyderabad and Bengaluru. All the campuses are situated amidst verdant surroundings, resplendent with natural beauty presenting of picture perfect setting for scholastic pursuits. Recognizing the holistic education the University is imparting, the Ministry of Human Resource Development, Govt. of India ranked GITAM University as category-I University among the universities of its kind. The NAAC has accredited the University with "A+" grade. The University Grants Commissions accorded 12-B status to the University.

ANDHRA PRADESH ECONOMIC DEVELOPMENT BOARD

The Economic Development Board has been conceived under the leadership of the Hon'ble Chief Minister, Sri Nara Chandrababu Naidu to accelerate the inclusive economic growth of Andhra Pradesh. The board acts as a catalyst to facilitate economic growth, investment climate, reforms, and competitiveness in Andhra Pradesh. The A.P. Economic Development Board functions on Strategic investment planning and promotion. It is the Nodal point of contact for investments; Mobilization of resources required for supplementing public and private investment; Facilitation of inter-departmental coordination and Economic and policy research.

VISAKHAPATNAM

Visakhapatnam in Andhra Pradesh, is a booming industrial city on the East Coast of India. It is located on the eastern shore of India nestled among the hill ranges of Eastern Ghats facing the Bay of Bengal. This beautiful city forms harmonious blend of majestic hills, valleys and golden beaches along the coastline. In addition, there are many historical places of delight to the tourists.
